Subject: FW: Republic Project at Bridgeton/West Lake Landfill

To be discussed when we meet. I have ideas on how to re-engage with electeds.

To all:

With the federal government just reopening, is there an update you can give the County Executive's office on what and when operations will resume at the landfill?

William R. Ray, Jr.
Special Assistant to the County Executive

Hi Bill,

As promised during the telconf with Executive Dooley today, I'm attaching EPA's Friday press release and Republic's Friday press release.

Thanks for scheduling today's call during this busy time for County government. Please call me if Executive Dooley has questions about the project.
